

EAU CLAIRE COUNTY

Strategic Plan 2016-2018

Our Mission -To provide quality, innovative and cost effective services that safeguard and enhance the well-being of residents and resources.

VALUES

Good Stewards

Plan and manage assets to enhance our community resources for the benefit of current and future generations.

Fiscally Responsible

Invest in innovative programming while balancing short and long term success.

Responsive to Citizens

Listen to the diverse voices in our community. Create programming that aligns with changing needs.

Open and Accountable

We will listen and invite community input and access; and communicate all decisions, actions, and outcomes in a clear, respectful, timely, and transparent way.

Innovative

Take risks; explore options before deciding on a solution. Value persistence and continually improve the way we do our work.
